SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
		1  Wealth is not only what you have but what you are.	2  1901--The Burlington Railroad reached Cody.	3	4  Kindness is a hard thing to give away, it keeps coming back to the giver.	5  Your imagination is your preview of coming attractions.
6  1918--Will Ross's coal mine in Salt Canyon is producing better than ever, 4 foot vein, supplying 5 tons per day, \$5 per ton and loading teams as fast as they arrive.	7  One of the special needs of our day is more time for meditation and reflection.	8  Results are what you expect and consequences are what you get.	9  A little laughter covers a multitude of grievances.	10  1936--The Strawberry Canal Co. was incorporated in the office of Secretary of State at Cheyenne.	11  1865--South Pass City organized.	12  1938--The plant and lines of the Lower Valley Power & Light were energized.
13  1901--Application made for incorporation of the town of Afton.	14  One of the calamities of life is the person who never had a dream except when he was asleep.	15  The poorest of all men is not one without a cent, it's a man without a dream.	16  1946--Dr. West was honored at a special birthday party at the Stake House.	17  Some people speak from experience, others from experiences don't speak.	18  1918---Germany surrendered, the War is over.	19  1863--President Abraham Lincoln delivered his Gettysburg address.
20  There is so much good in the worst of us, and so much bad in the best of us, that it behooves all of us not to talk about the rest of us.	21  Nothing will happen until you take the first step.	22	23  We are happier in many ways when we are old than when we are young. The young sow wild oats. The old grow sage.	24  1960--The Afton Telephone office was made a toll station.	25  Business is like a man rowing a boat upstream. He has no choice, he must go ahead or he will go back.	26  1936--The first "Fireman's Country Store" was held at the Wray Theatre.
27  1930--The South-End road is being kept open and the mail from the Valley is going this route.	28  The person who really thinks learns quite as much from his failures as from his successes.	29  A man has to live with himself, and he should see to it that he always has good company.	30

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
				1  The Creator gave the coyote more than a brain and lightning quickness. He put a song in his heart and a grin on his face.	2  1922--Teton County voted Jackson as the county seat.	3  In nothing do men more nearly approach the gods than in doing good to their fellow men.
4	5  1911--The Town of Afton purchased some fire equipment.	6  There is plenty of room at the top if you are willing to climb over the obstacles to get there.	7  1941--Pearl Harbor in Hawaii was attacked.	8  When a man is wrong and won't admit it, he always gets angry.	9  Going to church doesn't make you a Christian any more than going to a garage makes you an automobile.	10  1869--A bill introduced at South Pass City, giving the right to vote and hold office to women.
11  1816--Indiana became the 19th state of the Union.	12  The narrower the mind, the broader the statement.	13  1918--8 more deaths from the flu. A gate has been placed in the narrows to keep the flu from spreading to the Lower Valley. All schools closed.	14	15  People are lonely because they build walls instead of bridges.	16  1888--The Grover meeting house was the 3rd meeting house in Star Valley.	17  1777--France recognized American Independence.
18  You grow up the day you have your first real laugh at yourself.	19  1946--Work starts on new creamery in Thayne. It will be a consolidation of the creameries in Thayne, Freedom and Osmond.	20  One may go wrong in many directions, but right in only one.	21	22  When someone tells you nothing is impossible, ask him to dribble a basketball.	23  1917--Montpelier Stake created.	24  The trouble with learning from experience is you never graduate.
25  MERRY CHRISTMAS!	26  Blessed are the flexible for they shall not be bent out of shape.	27	28  1917--Montpelier to Afton highway to be built by the Forest Service and Bear Lake County 50-50.	29  Honest differences of opinion, honestly argued and threshed out, are of immense benefit.	30	31  The happiest man is he who learns from nature the lessons of worship.
