# PROPHECY

As we turn time ahead ten years we see a gypsy, a modern gypsy with an atomic television set instead of a crystal ball. This gypsy and an old man, namely Mr. Carpenter, are trying to see what became of the Class of 1951.

They find Janice in Hollywood. Movie Star? No, she types the scripts. Toni is a beauty operator, but in her spare time she is a saleswoman for Clint, Texas. That's C-L-I-N-T, Clint, Texas.

They see Dick as a great football star, plus being the owner of several large ranches.

Naturally, Bonny is very busy with her children and home. Louise also excelled in marriage and is very high in society.

Sharon has become the richest rancher on Bear River, but also very generous.

Oh yes, Alice wiggled herself into the picture in a hula skirt. Mr. Carpenter couldn't figure her out so Evelyn, being a psychologist, said she would try.

Howard is head of all the railroads in the West. (What this class can't accomplish in ten years. Wow!)

Dolores claimed herself as an old maid millionaire, but she isn't very old, and with that kind of money it won't be long now.

Arlene is keeping all the books for Sears and Roebuck, but she might have to take time off for a while if she decides to be a witness for John. John is being tried for Breach of Promise. The funny thing is he really wants to marry the girl but, the law won't let him. Why? Because he already has a wife.

The gypsy agreed with Mr. Carpenter that they were an exceptional group. So exceptional that Mr. Carpenter expected that he would find most of them in Evanston suffering from "delusions of grandeur," or some other applicable term in the field of psycho-neurosis.

# WILL

We, the class of 1951 of the Cokeville High School, County of Lincoln, State of Wyoming, being perfectly sound physically and almost mentally, do make, ordain, and declare this to be our last will and testament.

We, the class of 1951, feeling ourselves to be somewhat superior in regard to our cooperative spirit, studious reputation and various other talents, do will these virtues to the Junior Class, with the hope that they will eventually reach our high level.

I, John Middaugh will my wit and personality to Donald Coziah.

I, Janice Wilde will a copy of my new book on Bear Trapping, "How to Catch a Bear Laker in three Easy Lessons," to Ellen Julian.

I, Howard Johnson will my ability as a gunsmith to Dee Wilde.

I, Louise Thornock will my ability to "catch 'em and hold 'em" to Dorothy Lee Dayton.

I, Evelyn Herrera will my diplomatic ability to Audrey Buckley.

I, Alice Pope will my "hold on Archie" to Lou Ann Jarrett.

I, Dick Petersen will my football ability to Cline Curtis.

I, Arlene Roberts will my height to Rosie Herrera.

I, Bonny Wilde will my ability to get excused absences to James Saxton.

I, Toni Quintana will my quietness to Dean Dayton.

I, Dolores Hidalgo will my long hair and little feet to Virginia Perkins.

I, Sharon Dayton will my ability to get Salt Lake girls to Billy Jay Holmes.

To the rest of the school and faculty we just leave, and will they thank God.

IN WITNESS WHEREOF, I have set my hand and seal this 3rd day of January, in the year of our Lord One Thousand Nineteen Hundred and Fifty.

# HISTORY

In the year 1947, the class of 1951, thirteen in number, nonchalantly scurried up the foothills with a carefree attitude, harboring no fear for the future. Dolores Hidalgo led us safely over the uneven path on the first lap of our journey to the top. During this year we lost one of our most ambitious members, Carolyn Thompson. We then had our Frolic, which we thought was a big success.

In the second span of our great conquest we picked up Buster Coleman, John and Ruth Middaugh. Before resuming our climb we chose John M. to pave our way for the second stretch. However, before long our numbers were decreased by three. Ruth Middaugh, Buster Coleman and Lila Quintana left us. We traversed smooth ground for awhile, then decided to stop and plan our "Harvest Ball", which displayed the golden colors of fall. Another contribution toward the activities of the Student Body was our assembly. Everyone participated in this event.

John Middaugh again led us over what seemed the most hazardous part of our journey. The deep crevices and ravines looked impassible at times but we always managed to come through with flying colors. Our first step on the way to fame was our Junior play, "Ever Since Eve". Next we cautiously approached a ledge, where we remained long enough to plan and put over a sensational Prom, our theme being "Roomful of Roses". We also successfully planned and carried out our Junior Senior Banquet.

Suddenly one full morning we awoke to the realization that we were Seniors. We continued on our journey with Evelyn Herrera leading. At this point of our travels we braced ourselves against a possible slip along the last treacherous path upward toward our destination. We paused before ascending the steep slope to plan our last big dance at Cokeville High School. The theme was, "I'll Be Seeing You". We hadn't gone far when we decided to present our Senior play, and so we were nearing the end of our long trek.

With glad hearts and yet--tearfilled eyes, we reached our long-sought goal, the summit, which we conquered. Therefore we are prepared for the tasks of our unknown future.
