# Last Will and Testament of the Class of '58

We, the Senior Class of Cokeville High School, County of Lincoln, State of Wyoming, being of unsound mind and disintegrating memory after four strenuous years, do hereby make, publish and declare this as our last and best will and testament, hereby revoking all former wills, bequests, and devises of whatever nature by us already made.

I--Our dignity and good sense we leave to the Junior Class; may they apply it with rapid and spreading strokes.

II--To the Sophomore Class we leave our quick wits, rapid elucidations, and best of all, our ability to play hooky without having to make up double for the lost time.

III--To the high school infants (freshman) we leave our utmost sympathy and our ability to absorb English, science, math, and all those studies which are beyond the comprehension of their undeveloped mental capacities.

We, the Class of 1958, also will, without a thought of regret, our art for real talent, to enumerate musicians, comedians, athletes, dramatic artists, and vocalists to the following:

I, Donna Byrd, will my gift of gab to Karen Nate.

I, Dennis Dayton, will my ability to make up excuses, tell stories, and have alibies all the time to Lynn Roberts.

I, Eddie Dayton, will anything but my ambition to Richard Roberts.

I, Dawnee Carraway, will my bashfulness and quietness to Faye Nate.

I, Evan Pope, will my red hair to Kenny Nelson.

I, Shirley Nicholls, will my ability to study and to get good grades to Lyman Dayton.

I, Dennis Nate, will my curly hair to Coach Nelson.

I, Juanita Harmon, will my ability to get out of class to Gary Fuller.

I, Paul Quintana, will my football ability to Billy Buckley.

I, Pauline Quintana, will my ability to work to Rex Dayton.

I, Bob Walker, will my ability to stay out of trouble to Bob Wigington.

Our ability to have a good time and our school spirit, we will to any school grouch or "dead-head."

To the rest of the school and faculty we just leave, and will they thank God.

Having willed all that we possess, have possessed and expect to possess, we, the Class of '58, hereby sign, seal, smear, publish, and declare this our last will and testament, in this 16th day of May, in the year of our Lord One Thousand Nineteen Hundred and Fifty-Eight.

## Class History

In the fall of 1953 the class of '58, an ambitious and lively team entered Freshman Valley. The fields were green, the slopes gentle. We selected Dennis Dayton as our guide. Our biggest contribution, among many, was a very successful Freshman Frolic decorated cleverly around our first year in high school with the theme "Green Year." Mrs. Somsen successfully and generously advised us throughout the year. Toward the end of the year Yvonne Skinner strayed from the group.

Looking up we found that we were on Sophomore Ridge with Paul Bennion as our guide, and Mr. Dayton as our advisor. Looking up toward the beautiful snow white slopes we selected "Marshmallow World" as the theme for our Sophomore Hop. Carole Ellis and Kenneth Pugmire while climbing bravely lost their foothold.

Bravely overcoming many obstacles, putting forth great efforts, and contributing much, we arrived safely and joyfully on Junior Plateau, with Dennis Nate at the head and Mr. Birch and Mr. Wagstaff as advisors. During this part of the strenuous climb our faithful classmate, Paul Bennion, left us. But the remainder went on. To add to the plateau, a little spanish air, we chose "In A Little Spanish Town" as the theme to one of the biggest and most successful Junior Proms ever held, and following this a gay Junior-Senior Banquet. With ambition still thriving we sponsored a great school play.

Suddenly, we awake to the realization that we were Seniors. Juanita Harmon took the lead as we started the final ascent with Mrs. Dayton and Mr. Shaw as helpers. Finances seemed to be reaping as our Senior Ball beautiful and originally decorated to "In The Still Of The Night" drew an enormous crowd. Still ahead of us we had several more stops. Senior Night, Baccalaureate, and Graduation. At least we have scaled the highest peak with a victorious number of eleven. We are graduates.

And so we have come to the end with happy and yet heavy hearts. Smiling through tearful eyes, we say good-bye to "Dear Old Cokeville High" and find that our hearts, and our ambitions have all been centered around high school activities, and for the moment, we are homesick. But the high ideals, that have been set for us will still lead us on, and will be maintained--not neglected.

To the teachers we say, "Thank you, for your patience and guidance."  
To our friends, the students and to all of you we say, "Goodbye."

## Message from the School Board . . .

Spencer Wyatt  
Superintendent

Preparing for a profession, or preparing for anything worthwhile, is a long pull. There are times when we are tempted to quit before we finish. There is not an easy way to any highly desirable destination. Anyone who reaches eminence, or even competence in any endeavor has to sacrifice, study, and work. It is a great day in the life of a boy or girl when he or she decides on some good goal, and even a greater day when the goal is achieved, in spite of discouragement and inconvenience. There is no excellence without labor. Strength and struggle travel together. Don't be a quitter! Succeed!
